To Whom It May Concern:

It is my pleasure to recommend Andres Gonzalez. I am the Administrative Assistant to the Principal at Sahuarita High School and have had a pleasure working with Andres in the front office as our student aide.

Andres demonstrates strong leadership skills. This 2019-2020 school year he showed to be very responsible and respectful on assisting parents, students, teachers and staff on their daily needs. He also maintains active participation in extracurricular activities without allowing his academic work to suffer.

Andres is only a high school student, I can already see that he has a bright future ahead for him.

Sincerely,
